

Project Info: *LEE HIGH ROAD*

To top it all off, we have some fantastic news to share! Get ready for the ultimate convenience and fitness combo as we welcome Sainsbury's to the ground floor and Base 13 Fitness to the basement.

Progress Update

From unpredictable weather to unexpected site discoveries, our team's resilience shines through!

Welcome to the March edition of our 152a Lee High Road project newsletter!

Our focus on durability using Cladmate's CMS40 brick slips in Gunsmoke grey and Cinder coal colours was achieved, enhancing modern aesthetics of the building.

Our project has achieved an exceptional Considerate Contractors Scheme score and an "Excellent" BREEAM Green Building certification.

Finally, we look forward to the planned occupation of the seventeen residential units in May 2024.

Client: [Lee High Road Development Limited](#)
Architects: [Tone Architects](#)
Structural Engineers: [Rise Structural Engineering Ltd.](#)
M&E Consultants: [BSEC Design Ltd.](#)
